Dear Mr. S. R. Shirgaonkar,

**Re: Review of CRISIL Rating on the Rs.13 Crore Fixed Deposits of Synergy Green Industries Limited**

All ratings assigned by CRISIL are kept under continuous surveillance and review.

CRISIL has, after due consideration, reaffirmed its "FB+/Positive" (pronounced as F B plus rating with Positive outlook) rating on the captioned debt instrument. This rating indicates inadequate safety of timely payment of interest and principal. Such issues are less susceptible to default than fixed deposits rated below this category, but the uncertainties that the issuer faces could lead to inadequate capacity to make timely interest and principal payments.

As per our Rating Agreement, CRISIL would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL reserves the right to withdraw or revise the ratings assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information or other circumstances, which CRISIL believes, may have an impact on the rating.

Should you require any clarifications, please feel free to get in touch with us.
