ANNUAL GENERAL MEETING

11TH ANNUAL GENERAL MEETING THROUGH VIDEO CONFERENCING OR OTHER AUDIO VISUAL MEANS AT KOLHAPUR ON TUESDAY, THE 28TH DAY OF SEPTEMBER, 2021 AT 11.00 A.M. IST

Chairman's Letter

Dear Share Holders,

Honourable Shri Rajendra V Shirgaokar had shouldered me the responsibility of Chairmanship, with his guidance & blessings I am confident of taking his legacy forward and take the company to new highs.

FY 2020-21 was a testing year for our business resilience because of Covid 19 pandemic disruption. Majority of first quarter operations were interrupted due to nationwide lockdown and spilled over to next quarter for attaining complete normalcy due to migrant labour issues. In spite of all this, company's revenue has been protected and recorded a net sale of Rs.198.85 Crores as against Rs.207.87 Crores in the previous year with a marginal decrease of 4.34%. This could be achieved because of strong global demand and export revenues grown over 200% from Rs.29.58 Crores to Rs.90.22 Crores.

Industry overview and future prospects:

- a. In spite of Covid pandemic shadow on entire business environment, it was an outstanding year for global wind installations with an impressive growth of 53% from 60.8 GW in 2019 to 93 GW in 2020. This was mainly because of tax incentive cut-off in USA & China. As per GWEC report, these installations are forecasted to sustain with 4% CAGR growth during next 5 years.
- b. Indian wind industry is subdued because of pandemic and installations were halved from 2.04 GW in FY 2019-20 to 1.12 GW in FY 2020-21. However it is expected to catch up with global trend with improvement in domestic constraints.
- c. Company's order book is originated from domestic installations, export of made in India turbines and global market. We foresee strong orders growth of over 40% for next two years with non-binding capacity allocations from major customers.
- d. Considering the strong growth visibility, it has been planned to enhance the capacity by another 50% from 30,000 TPA to 45,000 TPA during FY 2021-22.

In order to comply with the provisions of SEBI LODR for migration of the Company from SME exchange to Main exchange, Board of Directors has been restructured. Resultant of this, Directors Shri Rajendra Shirgaokar, Shri Prafulla Shirgaokar, Shri Niraj Shirgaokar and Shri Jeevan Shirgaokar have stepped down from the Board. I acknowledge the contributions of these Directors during their tenure. Their guidance will help us to achieve new milestones during the years to come.

Also, I am highly thankful to our Board for their valuable guidance and our management team & all employees for their continued effort towards the vision and bringing excellent growth to organisation. I take this opportunity to thank our banker, Bank of Baroda for their continued support in achieving our goals. I also acknowledge the support extended by Central & State governments and express our sincere thanks to them. I would like to express our appreciation to our suppliers and customers for their continued support. I would also like to thank our esteem shareholders for their support.

With Warm Regards

Sachin Rajendra Shirgaokar

Chairman & Managing Director

2. State of Affairs

- a) For the financial year 2020-21, your company has recorded a net sale of Rs.198.85 Crores as against Rs.207.87 Crores in the previous year. In spite 6 weeks lockdown and another 4 months of production disturbances due to Covid pandemic, revenue could be protected within 4.34% dip from previous year.
- b) During the year, export revenues grown by 205% from Rs 29.58 Crores to Rs.90.22 Crores.
- c) In line with revenues, there is a marginal 4.65% reduction in Profit before tax from Rs.6.24 Crore to Rs.5.95 Crore during the year. Net profit stands at Rs.3.70 Crore as against Rs.3.33 Crore during previous year.
- d) During the year, absolute PBDIT stands at Rs 24.82 Crores as against Rs 23.13 Crores last year. Supported by substantial growth in exports revenue, PBDIT margins have improved by 134 bps to 12.43% as against 11.09% during previous year.

3. Industry Update & Future Outlook

2020 was the best year in history for the global wind industry showing YOY growth of 53%. Installing more than 93 GW of wind power in a challenging year with Covid pandemic disruption to both global supply chain and project construction demonstrated with incredible resilience of wind industry. Significant contributions have come from China & USA supported by Feed in Tariff cut-off in China and phase out of the full rate Production Tax Credit (PTC) in the USA.

After an unusual 2020, global wind market growth is likely to slow down in the near-term primarily due to an expected drop in onshore installations in China and the US following the expiry of incentive schemes. Nevertheless, the market outlook for forecast period remains positive. GWEC Market Intelligence expects that over 469 GW of new onshore and offshore wind capacity will be added in the next five years - that is nearly 94 GW of new installations annually until 2025, based on present policies and projects in pipelines.

Indian installations remain subdued due to various hurdles in the industry like land allocation, grid availability, recurring financial instability of DISCOMs, tender design and PPA sanctity. As per GWEC forecast, India's installations are expected to be around 3 GW to 4 GW during next 5 years period.

In spite of subdued wind installations in India, wind turbine production levels are much higher as made in India turbines are being exported to other countries.

4. Economic Environment

During beginning of FY 2021-22, Indian manufacturing industry is facing challenges with second wave of Covid 19. Aggressive vaccination drive and strict administrative controls started flattening the curve. Manufacturing activities are expected to reach normalcy within couple of months.

Due to global surge in commodities demand and supply side constraints from Indian steel production have pushed the steel commodity prices to significantly higher side. There is a very little possibility that these prices will revert back to last year levels. Some moderation in prices expected once manufacturing activities revive the normal capacity.

It is being planned to handle this adverse situation by passing on partial increase to the customers, cost reduction initiatives and economies of scale should able to protect the value additions.

5. Quality and Certification

Company's focus is on quality of the products manufactured through fulfilling the requirements as per international standards and customer satisfactions. Company manned with highly qualified team and is equipped with state-of-the-art testing facilities at its Plant.

Company is certified for Quality Management System (QMS) according to ISO:9001 2015 quality standards, ISO:14001 2015 Environmental management System and also according to ISO:45001 2018 Occupational Health and Safety Standards.

6. Dividend

There being carried over losses of previous years which have not been set off completely against profits of current year. In view of the same, the Board is unable to recommend any dividend for FY 2020-21 to the Equity Shareholders and Preference Shareholders.

7. Details of Subsidiaries, Joint Venture (JV) or Associate Companies (AC)

The Company does not have Subsidiary, Associate and Joint Venture Company.

8. Amounts proposed to be carried to any Reserves

The Company has not transferred any amount to the reserves during the Financial Year ended on 31st March, 2021.

9. Change in Capital Structure of the Company

During the year under consideration, there is no change in Capital Structure of the Company.

Further, during the year under report company has not made buyback of shares or has not issued Bonus Shares, Sweat Equity Shares, Equity with differential voting rights and Employee stock option.

10. Change in nature of business, if any

During the Financial Year 2020-21 there was no change in the nature of business of the Company.

11. Material changes and commitments if any, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report

The outbreak of the deadly COVID-19 virus and the ensuing lockdown imposed across the country affected business operations. The health of the employees and workers became a priority; stoppage of operations for the period of 6 weeks resulted in a large financial burden on the one hand and workforce idling on the other. COVID-19 is an unprecedented challenge. The lockdown gave India time to make a concerted effort to flatten the outbreak curve. However, towards later part of the year consequent to significant opening of the economic activity across the nation the demand picked up compared to that during the initial period of Covid-19. India is currently experiencing a massive second wave of Covid-19 infections. However, we expect no major changes in the economic activity as the nation is preparing to face the Pandemic with vaccines and preparedness. The escalating second wave of coronavirus infections in India present a risk to its growth forecast of 13.7% for FY22 as the re-imposition of virus management measures will curb economic activity and could dampen market and consumer sentiment.

COVID-19 is likely to materially impact the financial position and statutory compliances of many companies in India. Directors are taking due care to minimize the impact pandemic with following measures.

- a. Due care is being taken at production facilities to detect and avoid spreading of the virus in the premises. Awareness being created to all the employees to take necessary precautions to face the challenge.
- b. All the statutory guidelines issued by competent authorities are compiled and implemented in the operations.

- c. All the business decisions are taken considering the pandemic situation in mind and accordingly all the key stake holders including the customers and suppliers are intimated time to time about the development.

12. Significant & material orders passed by the Regulators or Courts or Tribunals

There are no significant material orders passed by the Regulators or Courts or Tribunal, which would impact the going concern status of the Company and its future operation.

13. Board of Directors and Key Managerial Personnel

ANNEXURE – VI
Management Discussion and Analysis

1.0 Market Analysis:

1.1 Wind Industry:

2020 was the best year in history for the global wind industry showing YOY growth of 53%. Installing more than 93 GW of wind power in a challenging year with Covid pandemic disruption to both global supply chain and project construction demonstrated with incredible resilience of wind industry. Significant contributions have come from China & USA supported by Feed in Tariff cut-off in China and phase out of the full rate Production Tax Credit (PTC) in the USA.

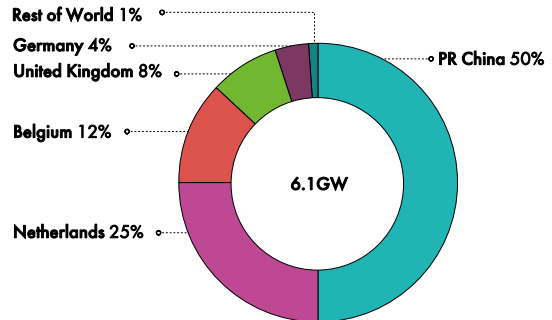

After an unusual 2020, global wind market growth is likely to slow down in the near-term primarily due to an expected drop in onshore installations in China and the US following the expiry of incentive schemes. Nevertheless, the market outlook for forecast period remains positive. GWEC Market Intelligence expects that over 469 GW of new onshore and offshore wind capacity will be added in the next five years - that is nearly 94 GW of new installations annually until 2025, based on present policies and pipelines.

New installations onshore (%)

New installations offshore (%)

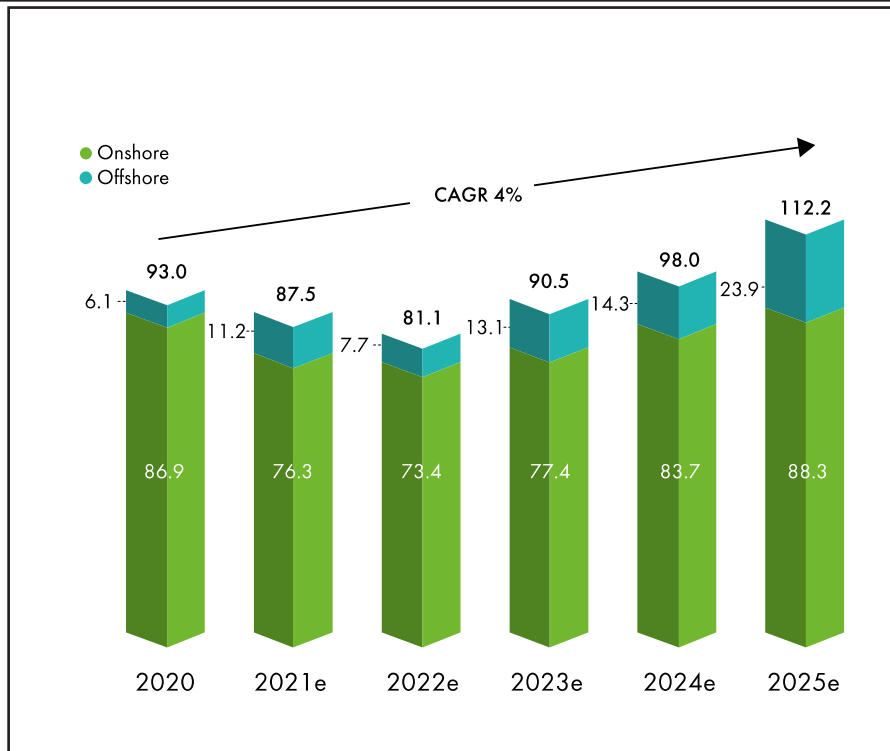

Total installations onshore (%)

Total installations offshore (%)

Detailed data sheet available in GWEC's member only area. For definition of region see Global Wind Report – Methodology and Terminology (Link to page)

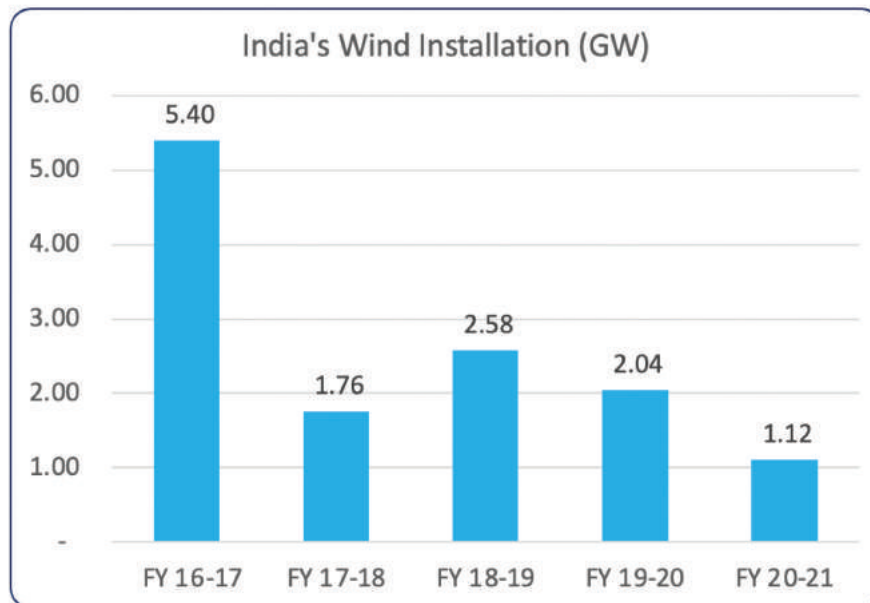

Indian installations remain subdued due to various hurdles in the industry like land allocation, grid availability, recurring financial instability of DISCOMs, tender design and PPA sanctity. Reviving a long-term national mission to scale up wind and renewables by resolving these challenges, such as through increased government- industry coordination and knowledge-sharing, will provide a much-needed boost to the sector.

With wind and solar prices beating fossil fuel-based generation across India’s grid, the expansion of affordable renewables can support decarbonisation of energy- intensive industries such as steel, iron, cement, transport and agriculture. Via the National Electric Mobility Mission Plan 2020, the Modi administration has already enacted an aggressive electric and hybrid vehicle scheme and aims to shift railways from coal dependency to the world’s first net zero railway network by 2030.

Meeting India’s clean energy targets in the absence of a broader carbon neutrality strategy will require urgent and targeted implementation of regulatory reforms. Accelerating wind growth is also in line with the government’s principles of Aatmnirbharta (self-reliance) and “Make in India” for energy security and supply chain competitiveness. The development of offshore wind and green hydrogen capacity will further support India’s shift to a more flexible, resilient and clean energy system.

As per GWEC forecast, India’s installations are expected to be around 3 GW to 4 GW during next 5 years period.

1.2 Non-Wind Industry:

Apart from Wind Turbine Industry, company is also producing castings to Mining, Pumps & Plastic Injection parts. During FY 2020-21, there was an increase in non-wind business share from 12.3% to 16.90%. Growth is forecasted in Non-Wind segment as well and estimated to retain the increased business share for the year 2021-22.

Order Book Forecast:

Following is the revenue source during last four years

In spite of subdued wind installations in India, wind turbine production levels are much higher as made in India turbines are being exported to other countries. Company also directly exports the castings for US market. Last year revenues consist of 45.8% exports to the US market. However, these export figures are expected to go down during next year due to Vestas relocating its 2 MW platform to India. Hence domestic orders are estimated to go up.

Company is in the process of developing larger megawatt turbine castings to all major OEMs like Vesta (4 MW), Siemens Gamesa (3.4 MW) and 4 MW gear box parts to ZF & Siemens. With addition of new product segment, healthy growth in order book is projected in upcoming years. FY 2021-22 order book is estimated to grow by 50% from all the segments.

Considering the demand growth visibility in coming years, it is being planned to expand the capacity during the year from 30,000 TPA to 45,000 TPA. Further it is also being planned to increase the largest casting capability from 16 MT to 23 MT single piece to produce larger MW turbine parts.

2.0 Performance Analysis:

2.1 Sales Revenue:

During the year 2020-21, company has recorded a net sale of Rs.199.71 Crores as against Rs.207.87 Crores in the previous year. In spite of 6 weeks lockdown and another 4 months of production disturbances due to Covid pandemic, revenue could be protected with a 4.2% dip from the previous year. During the year, export revenues grew by 206% from Rs 29.34 Crores to Rs 89.90 Crores.

Following are the Sales revenues figures in Rs Crore for last five years of operations.

Backed by strong order book, FY 2021-22 Sales Revenues are estimated to grow around 40 to 50% depending up on the Covid pandemic disturbances.

2.2 Profitability:

Following are the PBDIT figures in Rs Crore for last five years of operations.

During FY 2020-21, in spite of dip in revenue by 4.2%, PBDIT figures have increased by 6.90%. This increase is because of PBDIT margins have expanded from 11.13% to 12.43% supported by higher export revenue.

There is a significant increase in input prices (> 40%) during last couple of months due to steel commodity increase and pandemic crisis. This increase is being planned to manage with the help of customer compensation & cost optimization to protect last year's PBDIT margins.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Synergy Green Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of Synergy Green Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as the Key Audit Matters to be communicated in our report.

a. Recoverability of Trade Receivables:

The company has significant trade receivables at year end which comprises of almost 15.84% of Total Assets of the company. Given the size of the balances and the risk that some of the trade receivables may not be recoverable, judgement is required to evaluate whether any provision should be made to reflect the risk. Assessment of the recoverability of trade receivables is inherently subjective and requires significant management judgement (which includes repayment history and financial position of entities from whom these balances are recoverable, terms of underlying arrangements, overdue balances, market conditions etc.).

We have performed following audit procedure for above key audit matter:

1. Obtained an understanding of and assessed the design, implementation and operating effectiveness of company's key internal controls over the providing for doubtful provision for trade receivables including adherence to relevant accounting standard.
2. Assessing the company's methodology for provisioning towards trade receivables.
3. Understanding the key inputs used in the provisioning model by the company such as repayment history, status of NCLT cases, terms of underlining arrangements, overdue balances, market conditions, expert's opinion etc.
4. Obtaining an understanding and assessing the reasonableness of the key outputs derived from provisioning methodology, as well as key judgements and assumptions used by the management.
5. Disclosure requirements as per schedule III of the companies act were verified.
6. Obtaining balance confirmation form debtors and matching payable balances in this confirmation with the receivable balances of the company and addressing and reconciliation item.
7. Performed subsequent receipt testing of trade receivable balances post year end.
8. Discussion with management about status and prospects of suits filled for receivables and assessment of requirement for provisioning.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report but does not include the Financial Statements, secretarial report and our auditor's report thereon, which we obtained prior to the date of this independent auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.
 - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
 - g. As required by section 197 (16) of the Act; in our opinion and according to information and explanation provided to us, the remuneration paid by the company to its directors is in accordance with the provisions of section 197 and Schedule V of the Act read with Companies (Appointment and Managerial Personnel) Rules, 2014 and remuneration paid to directors is not in excess of the limit laid down under this section read with Schedule V.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Amendment Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note no.30 to the financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31st March 2021.

- (iv) The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- (v) According to information and explanation given to us, the Company has accepted deposits from members during the year. The Company has complied with the provision of Section 73 to 76 and any other relevant provision of the Companies Act, 2013 and the rules framed there under, where applicable. Also, according to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal against the company.
- (vi) We have broadly reviewed the books of accounts and records maintained by the Company relating to manufacture of SG Iron Casting pursuant to the rules made by Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Companies Act 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) (a) According to information and explanation given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income-tax, duty of customs, Goods & Service Tax, cess and other material statutory dues, as applicable, with appropriate authorities.
- (b) According to information and explanation given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, Goods and Service tax, Cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they become payable.
- (c) According to information and explanation given to us and the records of the Company examined by us, there are no dues of Income tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value added tax, Goods and Service tax as at 31st March 2021 which have not been deposited on account of any dispute other than those mentioned below:

Name of the Statute	Nature of Dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending
Service Tax under Finance Act, 1994	Central Excise Duty	14,382	2012-13 & 2013-14	The Commissioner of Central GST (Appeals), Pune

- (viii) According to records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank. Also, according to information and explanations given to us, company has not raised or received any loans or borrowings from Government or debenture holders.

- (ix) According to the information and explanation given to us, the Company has not raised money by way of initial public offer/ further public offer, but has availed term loans during the year, in our opinion they were utilized for the purpose for which they were raised.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (xi) According to information and explanation given to us and based on our examination of the records of the Company, managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provision of Section 197 read with schedule V to the Companies Act, 2013.
- (xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

Annexure - B to the Auditor's Report

(Referred to in paragraph 2(f) of our Report on Other Legal and Regulatory Requirements of even date to the Members of Synergy Green Industries Limited)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **Synergy Green Industries Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the year ended on 31-03-2021

Note 1: Corporate Information

Synergy Green Industries Limited ("the Company") is a public limited Company incorporated in 2010, listed on SME Platform of Bombay Stock Exchange having its corporate office situated at 392, E ward, Shahupuri, Kolhapur-416001 and the works is situated at Kagal-Hatkanangale Five Star Industrial Area, Kolhapur-416216.

The Company is engaged in the business of foundry i.e., manufacturing of wind turbine casting and other large precision castings. The Company started as a green filed foundry project during 2011 and entered in commercial operation in June 2012.

Note 2: Basis of Preparation, Use of Estimates

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, as amended, and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention. The financial statements have been presented as per requirements of Schedule III of the Companies Act, 2013.

The financial statements were approved and authorized for issue by the Board of Directors as on May 27, 2021.

Estimates and Judgments.

The preparation of the financial statements in conformity with the generally accepted accounting principles along with accounting standards requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, revenues and expenses during the reporting period and disclosure of contingent liabilities at the date of the financial statements. Actual results could differ from those estimates. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revisions to the accounting estimates are recognised prospectively in the current and future periods.

Note 3: Significant Accounting Policies

3.1. Property, Plant and Equipments: -

Property Plant & Equipments are stated at cost of acquisition or construction less accumulated depreciation and impairment losses if any. Cost includes purchase price, freight, duties, taxes, labour cost, expenses related to acquisition, installation and commissioning, direct overheads for self-constructed assets and other direct cost incurred up to the date of asset is ready for its intended use.

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably.

- **Depreciation: -**

Depreciation is provided on the "Written Down value" Method, as per the useful life of assets prescribed in Part C of Schedule II of Companies Act, 2013, except "Tools and Equipment" which is depreciated using Straight Line Method (SLM).

Life of Dies and Moulds is taken as 8 years, Plant & Machinery is taken as 25 years & Tools & Equipment is taken as 4 years based on technical evaluation.

Depreciation on addition to assets or sale/disposal of assets is calculated pro rata from the date of put to use or up to the date of sale/disposal, as the case may be.

Depreciation is not calculated on capital work in progress until construction or installation is completed and the asset is ready for its intended use.

The useful lives of assets are reviewed by the management at each financial year end & revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the revised useful life of asset. Accordingly, during the year management has revised useful life of Plant & machinery block from 15 years to 25 years based on technical evaluation from an independent Chartered Engineer. Had it been not done, current years depreciation cost would have been increased and profit after tax would have been decreased by Rs. 1,70,65,331. Considering the voluminous list of plant and machineries, quantifying the impact of depreciation on profits of future years was impracticable, hence not disclosed.

3.2. Intangible Assets

Intangible Assets are stated at consideration paid for acquisition less accumulated amortisation and impairment if any.

- **Amortisation: -**

Intangible assets which consist of computer software is amortised over a period of three years.

3.3. Impairment of Assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If an indication exists, the company estimates the asset's recoverable amount. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an assets exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's recoverable amount. A previously recognised impairment loss is changed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

3.4. Borrowing Cost: -

Borrowing costs that are attributable to acquisition, construction or erection of qualifying assets incurred during the period are capitalized as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are recognised as expenditure in the period in which they are incurred.

3.5. Inventories

Raw material, Stores & Spares are valued at lower of cost or net realisable value. Cost includes cost of purchases and incidental expenses incurred in bringing the inventories to their present locations and conditions. Cost is arrived at mainly on the basis of Weighted Average Method.

Work in Progress and Finished goods are valued at lower of cost or net realisable value. Cost includes direct material, labour cost and proportion of manufacturing overheads based on the normal operating capacity.

Runners and Risers are valued at replacement cost or net realisable value whichever is lower.

The inventory of patterns purchased and held for sale is valued at lower of cost and net realizable value. The cost comprises of all the costs of purchases and other costs incurred in bringing the inventories to their present location and condition.

3.6. Revenue Recognition

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Sales value is net of GST & sales returns.

Revenue in respect of Export Incentives is recognized only when it is reasonably certain that the ultimate collection will be made.

Other income comprises of interest income, foreign currency gain and profit of sale of asset, recognised as it accrues in the statement of profit and loss.

3.7. Retirement benefits

- **Short Term Employee Benefits:**

All employee benefits payable within twelve months of rendering the service are classified as short-term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, ex-gratia, performance pay etc, and the same are recognised in the period in which the employee renders the related service.

- **Post Employment Benefits:**

- a) **Defined Contribution Plans:**

The Company's provident fund scheme is defined contribution plan. The contribution paid / payable under the schemes is recognised during the period in which the employee renders the related service. The Company makes monthly contributions towards employee provident fund.

b) Defined Benefits Plans:

The Employee's gratuity fund scheme is covered under Company's defined benefit plan. The Present Value of the obligation under such defined benefit plans is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation under the defined benefits plans, to recognise the obligation on the net basis.

• **Other Long Term Employee Benefit:**

The long-term employee benefit like leave liability are actuarially valued using Projected Unit Credit Method as at the date of Balance Sheet.

3.8. Foreign Currency Transactions

All foreign currency transactions are accounted for at the rates prevailing on the date of the transaction. The short term and long-term monetary items are restated at the rate of exchange prevailing on the date of Balance Sheet. The exchange differences on settlement / restatement are adjusted to Statement of Profit and Loss.

3.9. Taxation

Provision for taxation is made on the basis of the taxable profits, computed for the current accounting period in accordance with the provisions of the Income Tax Act 1961. Deferred Tax resulting from timing difference between book profits and tax profits is accounted for at the applicable rate of tax to the extent timing differences are expected to crystallize, in the case of deferred tax liabilities with reasonable certainty and in case of deferred tax assets with virtual certainty that there would be adequate future taxable income against which deferred tax assets can be realized, applying the tax rates that have been substantively enacted by the Balance Sheet date.

3.10. Provisions & Contingencies

Necessary provisions are made for the present obligations that arise out of past events entailing future outflow of economic resources. Such provisions reflect best estimates based on available information.

However, a disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.11. Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. All other leases are classified as operating leases.

Operating lease payments are recognised as an expense in the statement of profit and loss over the period of lease term.

3.12. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period as reduced by number of shares bought back, if any. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.13. Cash flow Statement

Cash flow are reported using the indirect method, whereby the profit before tax is adjusted for the effects of transactions of non-cash nature and deferral or accruals of past or future cash receipts or payments. The cash flow from regular operating, investing and financing activities of the company are segregated.
